

Dear NVMS member,

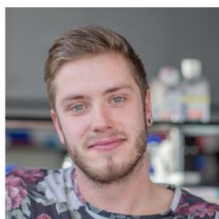

It's time for the first newsletter of 2024! We have collected the latest developments and updates from the NVMS board for you, along with a lineup of exciting conferences and meetings. Let's dive in and discover what's new!

Save the Date: Joint NVMS/BSMS Conference on Mass Spectrometry

Join us for the 5th BSMS/NVMS Conference on Mass Spectrometry, taking place on 28-30 April at the magnificent Rolduc Abbey in Kerkrade. [Explore the venue](#), our engaging program, and [keynote speakers](#) who will spotlight the latest in mass spec research from the Netherlands and beyond. There's still time to **submit your poster abstracts until 28th of March**. **Don't miss out—register now for ROLDUC 2024!** Due to the joint NVMS/BSMS conference, our traditional NVMS spring symposium will not take place this year. For updates on the NVMS fall meeting please check: [NVMS meetings - NVMS](#)

Welcome Young NVMS!

We're excited to announce that last December, we introduced the Young NVMS! This new segment consists of early-career scientists organizing events for the up-and-coming generation of mass spectrometrists, including networking meetings, career development events, and more. Please extend a warm welcome to Pieter (chair), Ariadni, Christel & Lidia! The young NVMS will be introduced at the the joint NVMS/BSMS conference in April. Stay engaged and follow the activities of the [Young NVMS](#) Interested in joining? young@nvms.nl

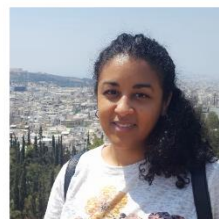

Dr. Pieter Langerhorst
Molecular Hematology
Sanquin

Christel Kuik
PhD candidate
M4i-Maastricht University

Lidia Molina Millán
PhD candidate
M4i-Maastricht University

Dr. Ariadni Geballa-Koukoura
Postdoctoral researcher
Vrij Universiteit

New NVMS Board Members!

During our December general assembly, four new board members were elected **Bram Snijders**, **Guinevere Lageveen-Kammeijer**, **Martin Pabst**, and **Pieter Langerhorst** (yNVMS), bringing new energy and ideas to our team! And finally, we would like to thank our departing board members **Jan Commandeur** (PR), **Annemieke Kolkman** (program) and **Richard Scheltema** (treasurer) for all their contributions and time! Without our active members, we would not be able to organize all our events. We hope to see you again at our fall and spring meetings.

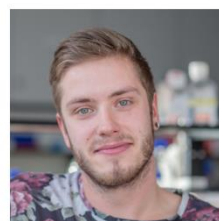

Treasurer
Dr. Bram Snijders
Bruker Netherlands B.V

Program Committee Member
Dr. Guinevere Lageveen-Kammeijer
Analytical Biochemistry Group
University of Groningen

PR
Dr. Martin Pabst
Microbial Proteomics Group
TU Delft

Representing YoungNVMS
Dr. Pieter Langerhorst
Molecular Hematology
Sanquin

Refreshed NVMS Logo

You might have already noticed our refreshed NVMS logo. It is not only shinier but also proudly resembles an actual ESI mass spectrum :) Many thanks to the YoungNVMS (especially Ariadni) for the fantastic touch-up of our logo. Can you guess the "Dutch element" we have woven into our design? Do you want to know more? Check our posts on [LinkedIn](#) [X](#)

Selected Symposia and Conferences for 2024

April 18-19: [Celebration of Biomolecular Mass Spectrometry and Proteomics](#)

This symposium honours Albert Heck's 25-year jubilee at Utrecht University and his 60th birthday

April 15: [6th edition of the X-omics festival](#), Nijmegen, NL

April 28-30: [Joint NVMS/BSMS Conference on Mass Spectrometry](#), Rolduc Abbey, Kerkrade, NL

March 15-22: [MSACL](#), Monterey, CA, USA

April 21-26: [Isolated Biomolecules and Biomolecular Interactions](#), Timmendorfer Strand, Germany

May 5-10: [Lipidomics Gordon Research Conference](#), Lucca, Italy

June 2-6: [ASMS Conference on Mass Spectrometry and Allied Topics](#), Anaheim, CA, USA

June 16-24: [Metabolomics 2024](#), Osaka, Japan

July 7-13: [16th MS School in Biotechnology and Medicine Summer school](#), Dubrovnik, Croatia

August 17-23: [International mass spectrometry conference](#), Melbourne, Australia

Sept 10-13: [Mass Spec CASSS](#), Rockville MD, USA

October 20-24: [Human proteome organisation world congress](#), Dresden, Germany

Martin Pabst

PR, Dutch Society for Mass Spectrometry

On behalf of the Dutch Society for Mass Spectrometry
